Udders Celebrates One-Year Anniversary and Announces Transition from Main Street Location

Belle Plaine, IA — May 24, 2026

Udders extends its heartfelt thanks to the community for celebrating its one-year anniversary, marked by an incredible turnout and an outpouring of support.

Over the past year, Udders has remained deeply committed to the Belle Plaine community. The business proudly reinvested 100% of its income locally, supporting employees, charitable causes, community partners, and hosting fundraising events. This mission-driven approach has been guided by gratitude, care, and a passion for making a positive impact.

“We did that with love and respect,” the team shared. “We wish we could do more.”

As Udders looks to the future, the company is exploring opportunities to expand its presence and continue serving customers in new ways. This next chapter includes evaluating potential locations in and around the Cedar Rapids area.

As part of this transition, Udders announced that its Main Street location in Belle Plaine will close after **May 30, 2026**.

Owners, Michael Raabe and Eric Dunlap, expressed deep appreciation for the relationships built over the past year: “We are grateful to all who have joined us for food and joy. You have brought so much to us, and we hope we brought a smile to you as you dined with us.”

Customers are encouraged to redeem any outstanding gift cards by **Saturday, May 30, 2026**, and to visit during the final week for one last celebration filled with “fun, food, and joy—the Udders way.”

Udders invites everyone to stay connected through its social media channels for updates on future plans and where the “herd” will land next.
